“ To Dana and family, I had the pleasure of meeting your mom only once at LFA, but I am happy that I did get a chance to meet her. Please accept my condolences on her passing on. Please accept my heartfelt wishes for your acceptance and joy that she is now with Jesus and those whom she loved that passed on before her. Mahalia Jackson sang a song which concluded that in that great place beyond, there would always be "Howdy" Howdy" and "Never Good bye" . May God bless you all at this time. Sincerely, Milly Balima

“ When I think of my cousin Betty I have to smile. She would come and get me from a little girl. I think I was her personal little doll she played with. She would look for me all over Philly and she would find me. The last time she caught up with me I was in my fifties. She bought me a new faux white fur Jacket and said I found my baby lol! She always called me her baby. We were ten years apart lol! Loved her! My funny cousin! I will always remember her laugh! Rest with God love!

“ Yesterday my long time family friend aka mom passed away. Her name is Betty Isles and she came into my life at the tender age of 8 years old. Betty had a huge heart and she loved the Lord. She introduced me to the Lord and by the age of 13 I got saved and Betty bought me my 1st children's Bible and many memories were shared with her and her beautiful kids who I still get to see from time to time. Betty was an awesome person and she treated me like one of her own daughters. She treated my daughter like her granddaughter. Bought her many dresses too.

The memories we shared and the laughs will always be the things I treasure especially the IROC car she had me and my brother drive from NJ to Flint Michigan to pick up Dana and Beth then we drove to Kentucky then back to Jersey. Everything went kind of wrong from Gary losing the gas cap and the fried chicken that spilled all over her car. We always had a great time and the road trips were the best. 🤔 OMG Action Mountain we all got hurt. I'll never forget that tiny little brown car she had and we were all squished in there like sardines in a can. I really miss her laugh and all the candy and cakes she made. God blessed me to meet her and her family. Rest assured Betty is in paradise with our Lord. Betty always had something for me and my daughter and always treated us to great things. She is a awesome woman.
